

# Equipment List Update

**Spring 2012**

Thank you for picking up or downloading from <http://www.carrier-media.co.uk> the current equipment list. Please revisit the website for more information; credits, news, contact details and updated equipment details.

The following equipment is available for dry hire or may be bundled **free** with my services in the role of Gaffer on your project. I'm happy to arrange additional equipment hire through a leading rental house, almost without limit.
